

# ESSER II

## *Creative Space*

We invite you to review the items below to facilitate creative thinking on the specific topic presented.

### *Updating Tech & Other Infrastructure*

How can ESSER II funding support this priority?

#### *Updating Tech*

- Consider updating student information systems or updating your school's data collection and analysis systems.
- Do your students and staff have all technology necessary to continue successful virtual learning?<sup>36</sup>
- Assessment of learning in virtual or socially distanced settings has challenges and costs associated. How have your needs regarding assessment of learning changed?

#### *Infrastructure*

- Consider how the structural and design needs of your buildings have changed. This funding can be utilized for repairs and improvements that contribute to ***reducing virus transmission*** or ***other health hazards***.<sup>31</sup>
- Consider costs incurred as part of physical distancing. The need for smaller class sizes may lead to needing more classroom space. Reconfiguring, rentals, or repurposing spaces may lead to needing more supplies or materials.<sup>31-35</sup>
- Consider reviewing or analyzing air filtration systems as outlined by the [CDC](#).
- Consider needed maintenance and repairs required to improve ventilation, HVAC systems, and air quality.<sup>31</sup>
